

I would like to introduce our company

RAJU ENTERPRISES

that has been in
LAUNDRY SOAP MANUFACTURING
business since last **40 years.**

Through our **HARD WORK AND DEDICATION** to our commitment, we have established a company with an excellent track record for the best customer satisfaction. Having never compromised on the quality and the services provided to the customer, we believe In keeping the **CUSTOMERS HAPPY AND PROVIDING THEM PRODUCTS AT VERY COMPETITIVE PRICE.** The products we offer are primarily used for washing clothes and are in high demand for their attributes such as removing dirt efficiently without affecting the colours of the fabric, better stability and cloth & skin friendly

Using pure oil to manufacture the products ensures that the result is always stainless and spot less clothes. We, as a company, consistently strive to be **ENVIRONMENT FRIENDLY** and thus, to manufacture these products, we do not use ANIMAL FATS unlike other companies.

Oil based soap bar is unique product with **ASTONISHING SUPERIORITY OVER REGULAR SOAP BARS**. Not only does it make washing clothes with hands effortless but cleaning is on par with any other product in market.

End to Ensolution

All our products are 100% vegetable oil and coconut oil based. Established in the year **1977** at Dobhi Ghat Road, Ulhasnagar, Maharashtra, **"RAJU ENTERPRISES"** is a Sole Proprietorship based firm, engaged as the foremost **Manufacturer of OIL based Washing Soap**. Our products are high in demand due to their premium quality, seamless finish, varied patterns and affordable prices. Furthermore, we are committed to timely deliver these products to our clients, through this. As a result of our devotion to our work and our loyalty to our clients, we have established a solid footing in the market.

Quality Assurance

The production quality of our products has always been of utmost importance to us. These products have been specially formulated to provide the desired results. **OUR QUALITY IS TESTED BY SPECIAL TECHNICIANS TO AVOID ANY SHORTCOMINGS,** and to ensure that the product can be used to **MAXIMUM EFFICIENCY.** We are committed to offer **HIGH QUALITY** Washing Soap to our esteemed clients. These products are manufactured using qualitative ingredients that can be effectively used for washing clothes. Our products are developed in accordance with industry norms & standards and clients can avail them at leading market prices. Furthermore, we have appointed a team of quality inspectors to guarantee that the products we offer are free from any sort of defects. Furthermore, taking in the customer feedback with regards to their desired specifications, our professionals are able to further enhance the quality of our products.

Our Infrastructure

We have established a **STATE-OF-THE-ART INFRASTRUCTURE FACILITY**, which is sprawling across a vast area of land.

The manufacturing unit of our organization is installed with all the necessary machines and tools that are required for smooth production. Owing to the high production capacity of our manufacturing unit, we are able to meet the bulk orders of clients within the stipulated time period.

Further, to ensure systematic functioning of our business operations, we have segregated our warehouse in various departments. After being manufactured, products are strictly tested by our quality controllers on certain parameters. Moreover, we store all the finished products at our **SPACIOUS AND CAPACIOUS WAREHOUSING UNIT**.
